

Wine has the ability to transport us. Smells and tastes can trigger some of our most powerful memories and can take you back to a time long ago, a place far away or even to a moment past with the person right across the table from you. Our wine list blends classical and contemporary Australian wines with wines from the Mediterranean and Mainland Europe. We chose wines from the Mediterranean for their freshness, vibrancy and mouth-watering flavours which suit drinkers of all tastes; and, shares a delicious narrative with the food of award winning Chefs. Wine is also nomadic, it travels widely but it always return's home. We feature wine icons, emerging producers and new grape varieties from Australia with a particular focus on the wines of the Canberra District and Southern New South Wales.

The Capitol Bar and Grill wine list is curated by QT Hotels Wine Director Chris Morrison and QT Canberra Venue Manager Desiree Saavedra.

Perrier Jouet Belle Epoque and the famous white anemones that decorate its bottle is one of the worlds most sought after wines. All at once it is delicious, refreshing and intesely flavoured. A breathtaking exampmle of this remarkable champagne.

2015 Pewsey Vale 'The Contours' Riesling Eden Valley SA 22

Australia dry riesling is the best value white wine in the world today. Its suits any budget, It tastes great young and can age 20+ years. Its amazing wth food, it speaks of its origins and has this intoxicating mix of flavour and freshness that suits dining tables, sun lounges and picnic blankets This iconic Pewsey Vale Riesling is named after its vineyard which follows the contours of its hilly setting high in the Eden Valley. This is Riesling with complexity, power, and purity.

2019 Domain Vacheron Sancerre FRA 29

The orgin story for Sauvignon Blanc begins in France and the limestone filled vineyards of Sancerre in the Loire Valley. Its hard to believe that the fruity and herbaceous wines from New Zealand that have dominated the white wine category for the last 20 years are from the same family tree! This is savvy with minerality and elegance and layered with that mouth watering sensation that quenches your thirst then makes you thisty all at the same time.

2019 Domain Laroche 'Montee de Tonnerre' Premier Cru Chablis FRA 46

Perched on the east bank of the Serin River just outside the township of Chablis is the regions most famous vineyard, Montee de Tonnerre. This is a stunning relaese for Laroche and a wine full of contrast. Full of saline, mineral driven elegance framing rich and energetic fruit flaorvs. It is both powerful and refined and near perfect example of why drinking Chablis is one of the most addictive wine epxperiences on earth.

2019 Oakridge 864 Henkt Vineyard Pinot Noir Yarra Valley VIC 39

Pinot Noir is sensitive to literally everything in a vineyard. Light,heat,water and of course soil all need to be just right. Then you need the right person to coax the grapes from the vine into the bottle without upsetting the delicate balance of aroma, flavour and texture. No one in Australia is better at this vinous high wire act than Dave Bicknell of Oakridge wines. This wine is one of the best releases of 2019 and is drinking beautifully.

# A GLASS OF FANCY WINE

\*all wines are stored and poured using the Coravin wine preservation system

2016 Giovanni Manzone Castaletto Barolo Ita

50

Nebbiolo is the swiss army knife of the wine world. Its literally got a tool for every occasion. Its drinks easy but can have the stamina to age 50 years. Its taste and texture can feel like Pinot Noir on steroids and its savoury tannins literally melt when it comes into close contact with red proteins and good fats. Barolo in the north east of Italy is Nebbiolo's most prestigious address and 2016 is a vintage that many locals have declared the best this century.

2016 Cvne Reserva Tempranillo Rioja, Spn

35

Great Rioja has an edge to it. Its earthy, savoury tinted flavours are etched with Tempranillo's tight wire frame of acidity and tannin that creates a wine that's medium bodied, elegant but also full flavoured and complex. What makes this wine really work is its affinity with food. Those same tannins that give this wine its shape on your tongue and in your mouth literally melt away with slow cooked sauces, meats cooked over fire and hard cheeses.

2005 Clarendon Estate Onkaparinga Grenache McLaren Vale SA

37

Traditionally Australian grenache didn't age well. They were too juicy when young, too alcoholic and lacked the tannin and acid wireframe for a long journey. But with its elegance and refinement balanced with layers of red and dark fruits infused with oak complexity and pitch perfect tannin this wine redraws the boundary lines as to what's possible with Australian grenache. At peak drinking now and a stunning example of aged Australian red wine

2012 Voyager Estate Cabernet Sauvignon Margaret River WA

40

No other grape has done more for Margaret Rivers reputation as a producer of world class wine than Cabernet Sauvignon. With its proximity to the ocean and its Mediterranean climate Margaret River fashions Cabernet Sauvignon layered with deep, plush fruit flavours, sleek tannin and refreshing acidity. Voyager Estate is one of the regions best practitioners of Cabernet Sauvignon and approaching its 10<sup>th</sup> birthday this wine is in perfect gear with horsepower to spare.

2020 Jasper Hill 'Georgia and Friends Shiraz' Heathcote Vic

42

The crippling drought and bushfires of 2020 saw the volumes of grapes for many east coast wineries reduce by up to %80. That means for every 10 grapes grown in 2019 only 2 were harvested in 2020. Jasper Hill reached out to their neighbours and friends and were able to secure enough fruit to release their iconic Georgia shiraz. This is Shiraz with the texture of salmon roe when it pops on your tongue. Fresh and intensely flavoured but with a supple almost creamy texture it then races down your palette relishing its goodies of fruit and tannin finishing rich and stasifying. A beautiful wine from the toughest of circumstances.

2011 Cantalici Vin Santo Tuscany ITA

29

Used to celebrate mass as far back as the the 14th century Vin Santo or Holy Wine is made by using a process known as passito where grapes are dried on straw mats to dehydrate them and concentrate both sugar and acidity. Age also plays a role with Vin santo and over the centuries it has been revered for its ability to transform from light, bright and sweet to complex, deep and rich. Cantalucci Vin Santo manages to bridge both worlds and blends the best of both youth and age in a heavenly version of this iconic Italian desert wine

Australia has a long history with Riesling. Its first recorded plantings were in Penrith in 1838 which also coincided with the arrival of the first group of Lutheran immigrants from Germany who landed in South Australia. With them came a history of growing and making Riesling that stretched back hundreds of years. Ken Helm is the descendant of German vinedressers from the Rhineland, who established vineyards near Albury and Rutherglen in the 1860s. Inspired by the light, refreshing and often half dry styles of Germanic Riesling Ken and his Wife Judy established Helm wines in the early 1973 in Murrumbateman. Ken and Judy's daughter, Stephanie (fifth generation wine grower) now steers the fortunes of the winery. This blend of history, destiny and inspiration has made Helm Wines one of the finest producers of Riesling in Australia.

Cabernet Sauvignon is one of the worlds most beloved red grape varieties. Responsible for some of the most iconic and long live wines Australia has ever produced. Its combination of powerful flavours and finely etched tannins make it immensely enjoyable when young, but purpose built for aging. Helm produces Cabernet Sauvignon that evoke comparisons to the famous Clarets of Bordeaux yet are unmistakably wines that smell, taste and feel like the unique part of Australia they hail from.

## RIESLING

Across the 1960's and 1970's the Australian wine drinker LOVED sweet, syrupy wines like Blue Nun, Black Tower or Liebfraumilch (Mothers Milk in German) that were made from Riesling. That era really had an impact on the general public's perception of Riesling. 'Isn't that a sweet wine?' is still the cry from many drinkers. So here's the truth on Riesling today. Its rarely sweet. Its actually dry, fresh and mouth-watering and for diners its incredibly responsive to food. Its delicious young but it can age for 20 years or more. Australian Dry Riesling is arguably the greatest value dry white wine on earth.

A type of white wine made by leaving the grape skins and seeds in contact with the juice, creating an orange-hued wine. Essentially this is white wine made like red wine. What you also get is shifts in flavour and layers of texture that make these wines some of the most compelling and food-centric produced wines today.

## SMOOTH & GENEROUS RED

As the name suggests these are red wines that possess rich and ripe flavours that create a wine that's all curves. Rounded and expressive this wine offers gobs of fruit and a good whack of oak and alcohol. Tannins are there but are firm and enriching making these red wines mouth filling, powerful and warming

## SHIRAZ AND SYRAH

Syrah is the same vine as Shiraz but grows grapes that produce a very different style of wine in its place of origin, the cool climates of France's Northern Rhône Valley. The Canberra Wine District (CWD) sits squarely in the middle of these two wine styles with potent flavours as well as freshness and moreish drinkability.

## RICH AND ROBUST RED

Wines with deep and dense flavours often seeing a good dose of new oak which adds even more texture to these broad shouldered and powerful styles of red wine. Concentrated but always beautifully proportioned flavours are pushed across the palette by its muscular framework of acidity and tannin. Wines of gravitas!

## OLD AND FANCY

Why do some wines get better with age and others don't? What is the formula that can take the tastes and textures of another time, bottle them and transform into something magical. It's the unique combination of the vineyard, the winemaker, the variety, the vintage and that elusive 'x-factor' that all share some responsibility in creating a balanced and delicious aged wine.
