SKIN RESCUE

(120 mins / \$275)

Warm Oil Back Massage + Signature Aloe Wrap + Refresh Facial + Hair Treatment + Scalp, Neck & Shoulder Massage

Over exposure, as many a celebrity would attest, is not always a good thing. This treatment penetrates over exposed skin and hair with a moisture explosion, restoring every part of you along the way. You'll be rebuilt from the ground up, starting with a foot ritual followed by a warm oil back massage. Next, a nourishing blend of aloe vera, avocado & jojoba oils is lovingly applied to the skin before you're tenderly swaddled in natural cloth. Now we move our focus to your face and hair; a refresh facial to cleanse, exfoliate and hydrate your skin, and a nourishing hair treatment of coconut oil, china bark extract and essential oils applied with a bliss-inducing scalp massage. Once unwrapped, a neck and shoulder massage will have you back to your beautiful self and ready for your close-up.

THE PLUSH PRINCESS

(150 mins / \$335)

Therapeutic Salt Scrub + Massage + Facial Massage

This royal treatment restores inner balance and increases your feeling of wellbeing using a combination of long-practiced and princess-worthy techniques. Your skin is deeply cleansed using an exfoliation of Australian sea and Himalayan salts with a blend of nourishing oils, rich in essential fatty acids and antioxidants. After rinsing, rich, elegant oils are massaged caringly to balance and soften the skin. The ceremony draws to a close with a facial anointment and massage using a specially crafted blend of the purest essential oils and plant extracts.

He who lives life to the fullest, takes it by the horns and wrestles it to the ground before remembering he needs time-out to recharge. This fatigue-fighting sequence of spa therapies starts with an invigorating coffee and sea kelp scrub to slough away unwanted dry and flaky skin. Next on the agenda is a massage to target tension, knotty tissue and tightness. Finally, a facial specially designed to balance out sensitivities, nourish the skin and boost healthy cell regeneration. Now the warrior is back to his full potential and ready to conquer the world once more.

*Your face is the autobiography of your life. It's as unique as you are, much like your customised facial!
We use Uspa premium skincare products made from natural plant extracts, many of which are grown in the Australian sunshine. Uspa's carefully blended plant serums, mud therapies and essential oils are of the purest and highest grade, ensuring the nutrients work deeper into the skin's layers.*

USPA CONCEPT FACIAL

(90 mins / \$205)

A treatment that's as individual as you are. This bespoke treatment is so sublime, created by your skilled therapist who selects specific products to produce the most tangible and noticeable results for your skin. It runs like this; a welcoming back massage, a deep cleanse, exfoliation, followed by a therapeutic face and scalp massage. A facial mask is applied to the skin before an eye contour wrap takes care of the delicate eye area. Then we complete with an application of potent serums and a hydration treatment to nourish and protect. Seriously, you won't recognise yourself.

USPA CUSTOM FACIAL

(60 mins / \$150)

The Concept Facial's baby sister has all of the above minus the back massage and eye contour wrap. It may be a little less time intensive but it is still power-packed.

GENTLEMAN SKIN CARE SERVICES

SUPERNATURAL FACIAL

(60 mins / \$150)

Life and your lifestyle express themselves on your face. This facial is designed to provide you with the checks and balances that bring your skin into harmony. A purifying cleanse and exfoliation using products enriched with birch extract, almond oil and ginseng helps purify the skin ahead of a hydrating face massage which balances sensitivities. A mud mask helps to unclog pores and clean impurities before a hit of moisturiser leaves skin protected and restored.

FAST EDDY FACIAL

(30 mins / \$85 or \$75 with another treatment)

You're a busy man, but don't let time get in the way of putting your finest face forward. Working from the shoulders up, we start with a deep cleanse infused with grapefruit and balancing oils followed by an invigorating exfoliation with bamboo beads and ginseng. A mud mask is applied to remove impurities and balance the skin before a final hit of hydration.

PERFECTLY UNIQUE FACIAL

Being unique is better than being perfect...true, but with this customised facial, we can help you be both! Tailored to meet the specific needs of your skin type, this facial treatment will improve your skin's wellbeing and appearance. An exfoliating scrub teamed with a facial massage promotes circulation and decreases facial tension, while the mask balances and nourishes your skin. Signs of aging will be softened, leaving your skin looking and feeling smoother and supremely hydrated.

DERMA PEEL PRO

(60 mins / \$180)

What lies beneath your skin is the true you, waiting to be uncovered. Combining five peeling techniques in one treatment for perfect, softer more radiant skin. This deep cleansing peel with diamond particles, glycolic and lactic acid will renew your skin, soften lines and wrinkles, and unblock pores, while a biomimetic peptide stimulates the creation of new skin cells. This treatment is guaranteed to uncover your skin's true potential.

ANTI-GRAVITY FACIAL

(60 mins / \$195)

Prepare for uplift! This facial uses award-winning active ingredient technology to reinvigorate your cells and help get them back into prime lifting shape. An activating gel with firming and tightening properties is attentively massaged into the skin before an anti-gravity serum - containing biomimetic peptides and collagen - produces a universal lifting effect. Next, your skin is taken to another dimension with immediate and spectacular firming results using a lifting mask for the face and neck. A magnitude of firming, lifting, tightening, energising, sculpting, strengthening, and wrinkle-ironing - everything that your skin needs to rise and shine.

Massage Therapy

Muscle melting, immune boosting, stress relieving and life-affirming, the power of touch is undeniable.

We allocate time before your treatment to customise your massage to how you are feeling in the 'here and now'. Live for the moment and beyond, by accompanying your treatment with a little extra from our "Accessories" menu, giving you something more to look forward to!

(60 or 90 mins / \$150 or \$205)

A relaxed mum means a happy baby and vice-a-versa.

(30 mins / \$85 or \$75 with another treatment)

Get glossy, healthy locks with this intensely hydrating and restorative hair treatment, designed to strengthen your hair and make it more damage resistant. * The add-on price is applied when the combined treatment time exceeds 60 minutes.

Body Exfoliation & Masks

Here on the Gold Coast, we love to flaunt a bit (okay, a lot) of fabulous skin. Stepping out in great skin is right up there with wearing a pair of Jimmy Choos – and let's face it, together they're a knockout combination.

We use nutrient-rich natural products and mmm-inducing techniques to help get your glow on.

THERAPEUTIC SEA SALT GLOW

(30 mins or 60 mins / \$75 or \$150)*

Get a dose of mega-goodness. A rich combination of sea salts and anti-oxidants, including vitamins C and E, deeply cleanses and exfoliates your skin, helping to restore a youthful glow. As a finishing touch, the application of tangerine and rose moisturiser, blended with sweet almond and sesame oils, will leave your skin smooth and replenished.

** When added to a massage 60 mins or longer*

SOOTHING BAMBOO & GINSENG POLISH

(30 mins or 60 mins / \$75 or \$150)*

This all-over body exfoliation treatment uses a potent infusion of revitalising ginseng and ginkgo biloba blended with gentle exfoliating bamboo beads to remove dead skin cells and oxygenate the skin. A full-body application of refreshing tangerine and rose will leave your skin feeling soft, refreshed and smooth. This treatment is effective but still gentle enough for sensitive skin.

** When added to a massage 60 mins or longer*

ORGANIC COCO CREAM WRAP

(90 mins / \$205)

Banish the dry skin drag with this nourishing and moisture-rich concoction. The treatment begins with your choice of exfoliation to cleanse the whole body. Next, a nourishing full-body application of warmed coco butter and coconut, infused with aromatic vanilla, feeds your skin while your therapist delivers a divine scalp massage. Unwrap and voilà! Silky smooth, rehydrated skin.

COFFEE & SEA KELP CONTOUR WRAP

(90 mins / \$205)

A true wrap star! It's mood-altering, body changing and artfully concocted to give you supple, gloriously smooth, toned skin. A vitamin, mineral and anti-oxidant rich infusion of coffee and sea kelp is used to stimulate circulation, detoxify and gently exfoliate the skin, while the subtle scent of orange and vanilla rises like little puffy scented clouds lifting your mood. Now your buffed skin is ready to absorb the all over, mineral-rich clay wrap, which has superhero drawing properties to help boost circulation, relieve sluggishness and firm the skin. To finish, a light body massage using an application of coconut, avocado and jojoba oils for intense skin hydration.
