WINE LIST

AUTUMN 2020

## Welcome to Gowings..

Our wine list pays homage to the classical and contemporary Australian wine industry with a European and Mediterranean accent. We love the wines of the 'Med' for their freshness, vibrancy and mouth-watering flavours which suit drinkers of all tastes and share a delicious narrative with the food of Gowings Restaurant. We are also passionate about the new generation of Australian winemakers and we work with some of the countries most exciting new wines and winemakers. We have created a tribute to Australian winemakers both past and present and the remarkable Australian wines that are their legacy. We are continually sourcing rare and aged bottles for our wine list from wineries, winemakers and private cellars from around the country. Importantly the Gowings wine list represents the 100 years of history and tradition behind the magnificent Gowings Building that now also houses one of Australia's newest and most popular boutique hotels, QT Sydney.

The Gowings wine list is curated by QT Hotels Wine Director Chris Morrison and QT Sydney Sommelier Serena Carl.

# APERITIF

A selection of our favourite aperitifs and vermouths from local producers and storied houses. All aperitifs are served either with ice or a tonic from the Artisan Drinks Co, but we encourage you to drink your aperitifs however you see fit.

## Vermouth

There are many rumours about Vermouth. It is a spirit (which it isn't) it ages well (which it doesn't) or its only used in martinis (which it shouldn't be – it is incredibly versatile) Vermouth is a aromatized dry wine which is infused with roots, herbs, leaves and fruit then fortified with spirit to create a wine full of tangy, fruity, bitter flavours that are a perfect way to start a meal.

Regal Rouge Bold Red w <i>Artisan Classic London Tonic</i>	15
Cocchi Americano Rosa w <i>Artisan Violet Blossom Tonic</i>	15
Cocchi di Torino w <i>Artisan Skinny London Tonic</i>	15

## Aperitif

The word 'Aperitif' describes most nearly any type of drink taken before a meal. The following aperitif style drinks have less bitterness than a classic vermouth or bitters. Light and fresh and rippling with mouth – watering acidity and perky fruit flavours make them purpose built for those of us who not sure where to begin but are anxious to start.

Pot + Still South Australian Fig Aperitif w <i>Artisan Violet Blossom Tonic</i>	18
Never Never Fancy Fruit Cup w <i>Artisan Agave Lemon Tonic</i>	16
Sweetdram Escubac w <i>Artisan Skinny London Tonic</i>	19
Italicus Rosolio w <i>Artisan Classic London Tonic</i>	19
RinQuinQuin A La Peche w <i>Artisan Skinny London Tonic</i>	14
Suze w <i>Artisan Classic London Tonic</i>	15
Dolin Chamberyzette w <i>Artisan Skinny London Tonic</i>	15
Casoni Aperitif 1814 w <i>Artisan Pink Citrus Tonic</i>	15

## Bitters

Usually taken after meal but with the rise of bitter sweet cocktails like the Negorni bitter drinks have also become a fun and delicious way to start a meal. Bitters are made by taking a base spirit and infusing it with a combination of herbs, roots, spices, seeds – even tree bark!

Campari w <i>Artisan Classic London Tonic</i>	14
Maidenii La Tonique Quina Quina w <i>Artisan Agave Lemon Tonic</i>	15
Poor Tom's Imbroglio w <i>Artisan Violet Blossom Tonic</i>	16
St George Bruto Americano w <i>Artisan Pink Citrus Tonic</i>	19

## CORAVIN BY THE GLASS – SACRED SITES AND AGED WINES

The Coravin wine preservation system uses a hollow needle and an inert gas to protect a wine from oxidization all without having to remove the cork. It extends the wines life and can actually improve the wines quality long after the first glass has been poured. Using this ground-breaking technology we are able to offer some of Australia's, and the worlds, greatest wines to you by the glass.

## DIGESTIVE

An alcoholic drink for after a meal. Historically used to aid digestion after epic meals and to avoid food coma. Digestive can range from Amaro's where spirit is infused with a combination of herbs, roots, leaves and tree bark or the fiery clear spirit grappa as produced from grape skins. In countries like France the digestive extends to include the more alcoholic range of after dinner drinks like calvados from Normandy apples and grape based distillates from the regions of Armagnac and Cognac.

### Amaro

Most drinks pros will tell you that a good digestive is an Amaro, the Italian word for 'bitter' which centres around herbal liqueurs with a bitter sweet flavour.

### Cognac – France

People have been drinking Cognac since the 1600'. A double distilled grape brandy that at first is a clear liquid or eau di vie and then through blending and aging transforms into an hedonistic amber hued liquid of remarkable richness and elegance and flavour

### Armagnac – France

A single distilled brandy Armagnac declares more vintages and relies less on blending across years than Cognac. This means Armagnac is more affected by climate and season but also produces a notably more full flavoured spirit retaining more of the nuance and complexity from the vintage it was produced from.

### Calvados – France

With over 300 different varieties of Apple available under the Calvados AOC the variations in style, flavour and aroma are almost more complex than grape based distillates like Cognac and Armagnac. To be called a Calvados the apples used must come from Normandy in north western France. Distilled from an apple cider base that in some cases can also be made from pears (poire) Calvados is smooth, fruity and mouth filling but becomes spicier and more complex with age.

### Grappa and Aqua Vitae – Italy

One of the worlds oldest spirits Grappa is made from the pulpy leftovers from grapes after they are pressed in the making of dry wine. Grappa or Aqua Vitae – 'water of life' was historically made by Italian farmers who used it as a digestif or to top up the fuel tanks in their fiats! But despite its rough beginnings, grappa distillers have embraced modern distilling techniques and aging in oak to create a contemporary spirit of refinement and real character.
