

Welcome to Gowings

— —

At Gowings we wanted to create a tribute to Australian winemakers both past and present and the remarkable wines that are their legacy. Our wine list pays homage to the classical and contemporary Australian wine industry with a slight European accent.

So we champion the next generation of Australian wine growers while continually sourcing rare and aged bottles from wineries, winemakers and private cellars from around the country.

Importantly our wine list tells the story behind the magnificent Gowings Building and its 100 year old history that now also houses one of Australia's most popular boutique hotels, QT Sydney.

The Gowings wine list is curated by QT Hotels Group Wine Director Chris Morrison and QT Sydney Head Sommelier Samantha Belt.

*All wines are organised by grape variety and in increasing order of weight and texture.

The word 'Aperitif' describes most nearly any type of drink taken before a meal. Light and fresh and rippling with mouth - watering acidic and perky fruit flavours make them purpose built for those of us who not sure where to begin but are anxious to start. All aperitif are served either with ice or tonic but we encourage you to drink you aperitif however you see fit.

Lyre's exquisite range of lovingly crafted **non-alcoholic** spirits was born from a quest to make the impossible possible. Natural essences, extracts and distillates are sourced from all over the world to achieve a flavour just like the classics they pay homage to. It's this absence of giggle juice that allows you to let your hair down and enjoy a social occasion, then arise in fine form to pursue the following day.

2013 Perrier Jouët 'Belle Epoque', Epernay, Champagne FRA

69

What started two centuries ago as a love story between Pierre Nicolas Perrier the son of a wine grower and the Rose Adelaide Jouet daughter of a wine merchant is today one of the world's most prestigious champagne houses. Perrier Jouet Belle Epoque and the famous white anemones that decorate its bottle is one of the world's most sought after wines. All at once it is delicious, refreshing and intensely flavoured. A breathtaking example of this remarkable champagne.

2015 Pewsey Vale Contours Riesling, Eden Valley SA

24

Australia dry Riesling is the best value white wine in the world today. It suits any budget, it tastes great young and can age 20+ years. Its amazing with food, it speaks of its origins and has this intoxicating mix of flavour and freshness that suits dining tables, sun lounges and picnic blankets This iconic Pewsey Vale Riesling is named after its vineyard which follows the contours of its hilly setting high in the Eden Valley. This is Riesling with complexity, power, and purity.

2016 Mount Mary 'Triplet' Sauvignon Blanc Semillon Muscadelle, Yarra Valley VIC

39

The 'Triplet' was created in 1987 as a tribute to the powerful dry white wines of the Graves region in Bordeaux. 11 months of aging in oak has trimmed away the puppy fat common in young white wines replacing it with texture, complexity and a beautiful depth of flavour.

1996 Mount Pleasant 'Lovedale' Semillon, Hunter Valley NSW

52

For over 70 years the Mount Pleasant Lovedale Semillon has been regarded as one of Australia's greatest dry white wines. The Lovedale vineyard was planted after World War II, in 1946, and the first Mount Pleasant Lovedale Semillon was made in 1950. 1996 was a drought breaking vintage that, oddly for the Hunter, got rain at the right time. One of best wines from one of the Hunter Valley's greatest vintages for Semillon.

2019 Domaine Vacheron, Sancerre FRA

31

The origin story for Sauvignon Blanc begins in France and the limestone filled vineyards of Sancerre in the Loire Valley. Its hard to believe that the fruity and herbaceous wines from New Zealand that have dominated the white wine category for the last 20 years are from the same family tree! This is savvy with minerality and elegance and layered with that mouth watering sensation that quenches your thirst then makes you thirsty all at the same time.

2012 Gilbert White Label Chardonnay, Orange NSW

38

Gilbert Family Wines began its journey in 2004 by fifth generation winemaker Simon Gilbert. Simon is all about creating wine you love to drink focusing on purity, elegance and vibrancy. The fruit is grown at the foothills of Mt Canobolas in Orange, Australia's highest wine growing region and one of NSW's coldest producing areas. This Chardonnay is a true reflection of the region and most wonderful expression of balance that will keep you reaching back for your glass.

2019 Domaine Laroche Montee de Tonnere Premier Cru, Chablis FRA

48

Perched on a the east bank of the Serin River just outside of the township of Chablis is the regions most famous vineyards, Montee de Tonnere. This is a stunning release for Laroche and a wine full of contrast. Full of saline, mineral driven elegance framing rich and energetic fruit flavours. It is both powerful and refined and near perfect example of why drinking Chablis is one of the most addictive wine experiences on earth.

2010 Radikon Ribolla - Skin Macerated, Venezia Guilia ITA

45

From his first vintage in 1979 to his passing in 2016, Stanislus 'Stanko' Radikon and his approach to natural winemaking has influenced an entire generation winemakers. His ground breaking wines remain the gold standard in this important and necessary genre of wines. The Ribolla is light with fruity aromas yet tannin rich and saliva-inducing. Stanko's son, Sasa now steers the winery and its future is in very safe hands.

2019 Oakridge 864 Henkt Vineyard Pinot Noir, Yarra Valley VIC 42

Pinot Noir is sensitive to literally everything in a vineyard. Light, heat, water and of course soil all need to be just right. Then you need the right person to coax the grapes from the vine into the bottle without upsetting the delicate balance of aroma, flavour and texture. No one in Australia is better at this vinous high wire act than Dave Bicknell of Oakridge wines. This wine is one of the best releases of 2019 and is drinking beautifully.

2016 Giovanni Manzone Castaletto, Barolo ITA 52

Nebbiolo is the swiss army knife of the wine world. It's literally got a tool for every occasion. Its drinks easy but can have the stamina to age 50 years. Its taste and texture can feel like Pinot Noir on steroids and its savoury tannins literally melt when it comes into close contact with red proteins and good fats. Barolo in the north east of Italy is Nebbiolo's most prestigious address and 2016 is a vintage that many locals have declared the best this century.

2006 Bodegas Urbina Gran Reserva Especial Tempranillo, Rioja SPN 38

5 generations of Urbinas have managed this property since the 1870s. Urbina make 'classically styled' Rioja from their own vines and are a village-specific producer, with their best wines all from the cold limestone sand soils of Cuzcurrita del Rio Tiron. 2006 was a warm year in Rioja and produced Tempranillo with real depth and richness and long fine black tea tannins. At 15 years of age this wine starting to mellow now with its dark and brooding fruit flavours and firm tannins softening becoming more complex and intriguing.

2005 Clarendon Estate 'Onkaparinga' Grenache, McLaren Vale SA 40

Traditionally Australian grenache didn't age well. They were too juicy when young, too alcoholic and lacked the tannin and acid wireframe for a long journey. But with its elegance and refinement balanced with layers of red and dark fruits infused with oak complexity and pitch perfect tannin this wine redraws the boundary lines as to what's possible with Australian grenache. At peak drinking now and a stunning example of aged Australian red wine

2012 Voyager Estate Cabernet Sauvignon, Margaret River WA 42

No other grape has done more for Margaret Rivers reputation as a producer of world class wine than Cabernet Sauvignon. With its proximity to the ocean and its Mediterranean climate Margaret River fashions Cabernet Sauvignon layered with deep, plush fruit flavours, sleek tannin and refreshing acidity. Voyager Estate is one of the regions best practitioners of Cabernet Sauvignon and approaching its 10th birthday this wine is in perfect gear with horsepower to spare.

2020 Jasper Hill Georgia and Friends Shiraz, Heathcote VIC 45

The crippling drought and bushfires of 2020 saw the volumes of grapes for many east coast wineries reduce by up to 80%. That means for every 10 grapes grown in 2019 only 2 were harvested in 2020. Jasper Hill reached out to their neighbours and friends and were able to secure enough fruit to release their iconic Georgia Shiraz. This is Shiraz with the texture of salmon roe when it pops on your tongue. Fresh and intensely flavoured but with a supple almost creamy texture it then races down your palette releasing its goodies of fruit and tannin finishing rich and stasifying. A beautiful wine from the toughest of circumstances.

2011 Cantalici Vin Santo, Tuscany ITA 29

Used to celebrate mass as far back as the 14th century Vin Santo or Holy Wine is made by using a process known as passito where grapes are dried on straw mats to dehydrate them and concentrate both sugar and acidity. Age also plays a role with Vin Santo and over the centuries it has been revered for its ability to transform from light, bright and sweet to complex, deep and rich. Cantalucci Vin Santo manages to bridge both worlds and blends the best of both youth and age in a heavenly version of this iconic Italian desert wine

Cognac - France

- -

People have been drinking Cognac since the 1600's. A double distilled grape brandy that at first is a clear liquid or eau de vie and then through blending and aging transforms into an hedonistic amber hued liquid of remarkable richness and elegance and flavour.

Armagnac - France

- -

A single distilled brandy Armagnac declares more vintages and relies less on blending across years than Cognac. This means Armagnac is more affected by climate and season but also produces a notably more full flavoured spirit retaining more of the nuance and complexity from the vintage it was produced from.

Calvados - France

- -

With over 300 different varieties of apples available under the Calvados AOC the variations in style, flavour and aroma are almost more complex than grape based distillates like Cognac and Armagnac. To be called a Calvados the apples used must come from Normandy in north western France. Distilled from an apple cider base that in some cases can also be made from pears (poire) Calvados is smooth, fruity and mouth filling but becomes spicier and more complex with age.

Grappa & Acquavite - Italy

- -

One of the worlds oldest spirits Grappa is made from the pulpy leftovers from grapes after they are pressed in the making of dry wine. Grappa or Aqua Vitae - 'water of life' was historically made by Italian farmers who used it as a digestive or to top up the fuel tanks in their Fiats! But despite its rough beginnings, grappa distillers have embraced modern distilling techniques and aging in oak to create a contemporary spirit of refinement and real character.
