Check in to the new luxury. QT Gold Coast is your glowing ticket to the epicentre of a cultural gold rush, taking a cool left-hander to stardom by way of music, fashion, food and art done the easy way.

Along our famous poolside, a sun-kissed renaissance is blooming at QT GC, paradise for more than the surfers. Coast into Baha cool and unexpected delights, drink and dine in the care of the true aficionados at Yamagen Japanese and remember – when in doubt, meet us where the locals go.

PUBLIC SPACES

QT Gold Coast is designed to transport guests to a modern coastal escape. Designed by QT Hotels long-time collaborator and celebrated designer, Nic Graham, the hotel is inspired by 'Miami Heat' meets 'Palm Springs Chic'. A crisp black and white palette is contrasted with boho chic and bold Missoni infused patterns with a pop of Miami neon tones.

The open spaces and décor have a playful edge, which exude vibrancy and transience – an entrance installation by artist Jennifer Steinkamp, who works with video and new media, creates an intrepid design punch on arrival.

With columns wrapped in rope, bars stacked in river pebbles, nautical lanterns and cocktails under candlelight, QT Gold Coast offers an all-round chic coastal vibe.

ROOMS AND SUITES

Set along a coastline with a reputation to shine, your Gold Coast hotel room serves up tranquillity with bursts of joy. It's popping with the right kinds of colour. Electric blue ocean and sunset golden hours. Luxurious lightness designed with an energetic buzz. Isn't this what you deserve from your accommodation on the Gold Coast? A solid night's sleep and waking up in a gold-star glow.

The 297 designer guest rooms feature a crisp and chic palette with a whole lot of vibrancy. Glistening in Gold Coast water views or the Hinterland, the boldly-designed rooms are rich in scenic luxury. Guests can indulge in a luxurious king bed and a private balcony to bask in the sunset hues.

The newly renovated ocean view suites are enhanced with contemporary Australian arts by Kate Ballis and Tom Adair, with an eccentric pop of neon amongst a boho aesthetic. Open wardrobes with bold Missoni inspired backings, beachy timber floors and chic furniture create a coastal and forever summer vibe.

Every element has been designed specifically for each room with a focus on luxury and embracing eclectic and bold design, tailored for an edgy and unforgettable QT experience.
