QT SYDNEY

Layers of time make QT Sydney a one of a kind experience. Reinvention. Exploration, the wild geography of a colourful life. The hotel is a moment. Right place, right time, a twinkle in the Emerald City. Part art deco masterpiece, part heritage theatre. Rustic Italian dines with New York socialite, and in-house pampering awaits spa-crossed lovers. One night only, every night. A dramatic flourish on Market St., a corner-of-the-eye promise. Blink and you'll miss it. Seize the chance, and come find your new niche in the city.
